Collection Entry Process

Once some collection money received from customer, the dealer coordinator can add it from Collection Entry option given under Collection menu.

The screenshot shows the MService web application interface. The top navigation bar includes the Atlas Copco logo, a welcome message for Mr. acetn1, and links for Change Password, Logout, and Training. The main menu is open, showing options like Setup & Maintenance, Job Management, Parts Opportunity, Inventory, Order Management, Reports, and Collection. The Collection menu is expanded, showing Collection Entry, Collection Adjustment, and Sales Invoice Adjustment. The Collection Entry page displays a table with 4 items, showing details for collection entries from various customers.
