	FPRPWCSE000017	Failed Part Management	Pending QA acknowledgement	ADITYA-GUJ	SE000017	PWCSE000017
	FPRPWCSE000016	Failed Part Management	QA acknowledged	ADITYA-GUJ	SE000016	PWCSE000016

After the process, and now we come to Dealer page

- In the dealer page directly we log in.
- With the dealer username and password

The image shows the MyLiugong login page. On the left is the MyLiugong logo and the text "Welcome to MyLiugong". On the right is a "Login" form with fields for "Username" (containing "oemsecoord") and "Password" (containing "*****"). There are checkboxes for "Remember me" and a link for "Forgot password?". A blue "Login" button with a checkmark is at the bottom of the form. The footer includes "Privacy Policy" and "Powered By MService".

The image shows the "Failed Part Management" menu in the system. The menu is open, showing options: Call Register, Service Job Management, Service Visit Schedule, Expense Claim, Invoice, Warranty Claim, Machine Location, Failed Part Management (highlighted), and Supplier Warranty Claim. The background shows a table with columns: Status, Dealer ID/ Division, Service Job No#, and Pwclaim Ref #. The footer includes "© Selfservit, All Rights Reserved" and "MService".

- And switch the page into a next version.
- And go to call Management, in that click into a Failed part Management.

The image shows the "Failed Part Management" table. The table has columns: Actions, Failed Part Ref No, Type, Status, Dealer ID/ Division, Service Job No#, and Pwclaim Ref #. The first row is highlighted in orange and shows a "Pending dealer receipt update" status. The second row shows a "QA acknowledged" status. The third row shows a "QA acknowledged" status. The fourth row shows a "QA acknowledged" status. The fifth row shows a "Pending QA acknowledgement" status. The sixth row shows a "Closed" status. The seventh row shows a "Pending QA acknowledgement" status. The footer includes "© Selfservit, All Rights Reserved" and "MService".
